THE KIMBLE COUNTY CHAMBER OF COMMERCE & JUNCTION TOURISM WISHES EVERYONE A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR!!!! This holiday season, your Chamber wants to thank everyone for their support this past year. Your Chamber is a “work in progress” trying to respond to new ideas and suggestions for improvement for our role in this community. We have been blessed with a wonderful Board of Directors elected by our membership, and they have bravely faced challenges and been innovative in their solutions. This Board has worked very hard to improve our events and has kept “an ear to the ground” in order to evaluate their success. They have given up hours of family and work time in volunteer service to their community, and this community is the better for it! We have seen new individual and business memberships join our Chamber, and look forward to the talents these new members bring. After all, this community, like the world in general, is always looking for “a better mouse trap”! Our City Council is also to be thanked for their generosity in granting tourism funds to the Chamber to enable us to function and keep on “doing our thing”! Our goal is to continue to be an important part of this community, both in an informational and promotional capacity. We want the Chamber to be the first place folks think to contact to get information about Junction and Kimble County, whether you’re planning a trip, looking to open a new business, or begin a new chapter in their lives. The Chamber of Commerce truly appreciates all the help, both financial and through moral support, that this community offers us, and we pledge to continue to work hard for you in 2008! Merry Christmas and have a wonderful, blessed 2008!
